

BMS Brochure Print Instructions

You will need to print the brochures as a Landscape Booklet. The booklet method creates 4 pages – two pages on each side. All panels are the same width and height – see Image.

Specifications

- 4pp A4 brochure – 594 mm x 210 mm
- Printed four colour process on both sides
- Printed all over matt celloglase varnish on both sides
- On 250gsm Art Board
- One scoring line for folding
- Folded to A4 landscape booklet size

Brochure Files

There are two PDF files labelled “.” **Brochure Outside** and “.” **Brochure Inside**. The inside section is folded inwards.
